Dear Sir:

I read in the paper an advertisement, saying you had a 1941 -25 passenger Dodge Bus for sale.

If you have not disposed of it, I would like to know what you are asking for it. What is the condition of the upholstery, paint, motor, etc.? I am definitely in the market for a bus, and will pay cash for one that will suit my purpose.

I will appreciate hearing from you one way or the other.

Very Truly Yours

P.S. What is the present milage?
